Table-B

3. In this regard, it is informed that **all such expired SSPs issued by Nagpur Customs stand cancelled with immediate effect.** Use of any SSPs with lapsed validity henceforth shall be treated as unauthorized and in contravention of prevailing customs regulations.

4. All ICDs and Port authorities under Indian Customs are hereby requested to **disallow acceptance of shipping documents and containers under any expired/cancelled SSPs issued**

by Nagpur Customs. Any consignments presented under such permissions shall be dealt with as per law.

5. Exporters who wish to continue availing the facility of self-sealing are advised to apply afresh for a valid Self-Sealing Permission in accordance with the extant procedures and circulars issued by this office under Public Notice No. 09/2024-CUS dated 23.10.2024.

6. Following the issuance of Public Notice No. 09/2024-CUS dated 23.10.2024, all Self-Sealing Permissions (SSPs) now include mandatory conditions that exporters must comply with. Key requirements include authentication of the invoice and packing list by the exporter's authorized signatory, conducting self-sealing under CCTV surveillance with recordings retained for five years, and furnishing prior intimation to the jurisdictional Superintendent of Customs before each self-sealing, detailing the premises, goods, and any export incentives claimed. The transport document used must conform to those prescribed under GST laws; for non-GST registrants, an e-way bill, transport challan, or lorry receipt is acceptable. These measures ensure compliance, traceability, and accountability in export operations under the SSP scheme.

7. This issues with the approval of the Commissioner of Customs.
